

# BRIDGEND BEEKEEPERS GWENYNWYR PEN-Y-BONT

## Factsheet 3.

### Beeswax Furniture Polish

10oz beeswax

1 pint turpentine

#### Method

1. Melt waxes in double saucepan over hot water
2. Heat Turpentine in another double saucepan over water,
3. POUR TURPENTINE INTO WAX carefully. Whisk lightly to thoroughly Mix.
4. Pour into airtight tins.

#### IMPORTANT NOTES:

Beeswax and Turpentine are highly flammable. Take all precautions not to overheat the ***NEVER POUR HOT WAX INTO TERPENTINE, The effect is spectacular potentially dangerous***

1. **Clean Beeswax as per Fact Sheet 2.** Run Melted wax through 2-3 layers of 'J' cloths or ladies tights. This removes dirt and grit.
2. For the Best Polish use Natural Turpentine from The Philippines.

**White Spirit and Turpentine Substitute are NOT recommended**
